

RIGHT LOCATION | RIGHT JURISDICTION

Geo-coordinate Based
Auto-Population | State & Centre
Jurisdiction in REG-01

No more guesswork while
selecting your GST jurisdiction.

Your Principal Place of Business location
can now help the GST Portal recommend
the appropriate State and Centre Jurisdiction.

STEP 1

ENTER YOUR BUSINESS
LOCATION 

Address
City
Pincode
Lat. 26.6139° N
Long. 77.2090° E

While filling REG-01, provide
the details of your Principal
Place of Business.

Your location's Latitude &
Longitude coordinates help
identify the jurisdiction.

STEP 2

JURISDICTION IS
AUTO-RECOMMENDED 

The GST Portal uses your
geo-coordinates to identify and
recommend the appropriate:

 State Jurisdiction
+
 Centre Jurisdiction

No need to manually
figure it out!

STEP 3

GET THE BEST-MATCHED
JURISDICTION 

The system checks the relevant
jurisdiction databases and
recommends the jurisdiction
that best matches your location.

STEP 4

REVIEW & SELECT 

Recommended Jurisdiction
State Jurisdiction
State A
Centre Jurisdiction
Centre Z

The recommended jurisdiction
is editable.

You can:

-  Review the recommendation
-  Keep it as suggested
-  Select another available jurisdiction from the drop-down, if required

KEY BENEFIT

LESS GUESSWORK. FEWER ERRORS. FASTER REGISTRATION.

Helps applicants select correct State & Centre Jurisdiction | avoid unnecessary delays
