Directorate General of Systems and Data Management

CENTRAL BOARD OF INDIRECT TAXES & CUSTOMS

Date: 31st October, 2026 **Category: Customs**

Issued by: ICEGATE

Subject: Amendment to the Advisory dated 02.12.2025 regarding the e-Sanchit requirements for availing Duty Drawback, RoDTEP and RoSCTL on postal exports through Dak Niryat Kendra (DNK) Portal – reg.

DG Systems has automated disbursement of export-related benefits such as Duty Drawback, RoDTEP and RoSCTL for postal exports processed through the DNK Portal.

2. To operationalize this facility, exporters using the postal route must now complete certain activities on **ICEGATE** to ensure seamless processing of export incentives. The activities are as under:

(i) ICEGATE Registration: All exporters seeking incentives must be registered on ICEGATE. The user manual for registration is available under: ICEGATE > Advisories > User Manual > Registration. Link for the User Manual on ICEGATE Registration: *https://www.icegate.gov.in/guidelines/registration-2*

(ii) e-Sanchit Requirements: The requirement for separately uploading supporting documents on the ICEGATE/e-Sanchit Portal and submitting the corresponding IRN numbers through the DNK Portal user interface has been dispensed with. This has been done away with to reduce the additional compliance requirements and to ensure ease of doing business. These documents are presently being uploaded both on ICEGATE/e-Sanchit Portal as well as DNK Portal. At the time of allowing Shipment, assessing officer working on DNK Portal can view the supporting documents in the DNK Portal. However, requirement for uploading on ICEGATE/e-

Sanchit was made to allow for verification of documents post shipment, if at all required. It is advised that the concerned Customs officer for post shipment verification may obtain the documents through Customs at DNK Portal or if required, raise queries through the Customs Automated System (CAS), and such documents may be submitted in reply to the query by the Postal exporters.

(iii) Bank Account Registration: To receive benefits, exporters must register their bank account in ICEGATE portal. The user manual for bank account registration is available under ICEGATE > Advisories > Registration > Bank Account Management. Link for the user manual on Bank Account Registration. The user will have to select port code specific to postal sites for adding bank account. Link for the advisory on Bank account Registration:

https://www.icegate.gov.in/guidelines/bank-account-management-user-manual

(iv) Generation of e-Scrips: e-Scrip module has been developed at ICEGATE, CBIC to provide a digital service to exporters to avail benefits defined under various incentive schemes like RoDTEP (Remission of Duties and Taxes on Exported Products) and RoSCTL (Rebate of State and Central Taxes and Levies). The advisory is available under ICEGATE > Advisories > eScrip > e-Scrip to Avail Export Incentive Schemes (RoSCTL, RoDTEP). Link for the advisory:

https://www.icegate.gov.in/guidelines/advisory-e-scrip-avail-export-incentive-schemes-rosctl-rodtep

3. System Workflow: Exporter claiming benefits will file the PBE on the DNK portal. After processing of PBE on the DNK portal, the data will be transmitted to ICEGATE for further transmission to ICES and then NCTC(DGARM) for risk management. The

instructions from RMS will then again be transmitted on the DNK portal for execution. Post Export (PBE) data will be transmitted to NCTC through ICEGATE and ICES, for decision on treatment of the scroll generation (whether by the officer or system generated).

DNK → ICEGATE → ICES → NCTC for RMS processing, followed by scroll generation and credit of benefits.

4. In case of any query, the contact details are as follows:

ADG, ICEGATE

Director General of Systems & Data Management, CBIC

1st Floor, CR Building, IP Estate,

New Delhi – 110 109
