1. Getting Started

Welcome to the user manual for the services offered to the trade users under the SWIFT 2.0 (Single Window Interface for Facilitating Trade) project over the Unified dashboard facility. This manual provides a detailed overview of all the features incorporated in the SWIFT (Single Window Interface for Facilitating Trade) project for the users.

2. Brief about user guide

This user manual provides step-by-step illustrations of all the functionalities that are incorporated on the user's dashboard. The manual comes with pictorial representation, which enables users to get a complete grasp on the subject and avail maximal benefit in a very subtle way.

3. Overview

As per the approach finalized for SWIFT 2.0, Unified Dashboard will be incorporated into the existing system to provide actionable information to trade covering all existing process cycles. This document has been drafted to capture the business requirements for Unified Dashboard facility under the initiative of SWIFT 2.0 to take the ease of doing business forward.

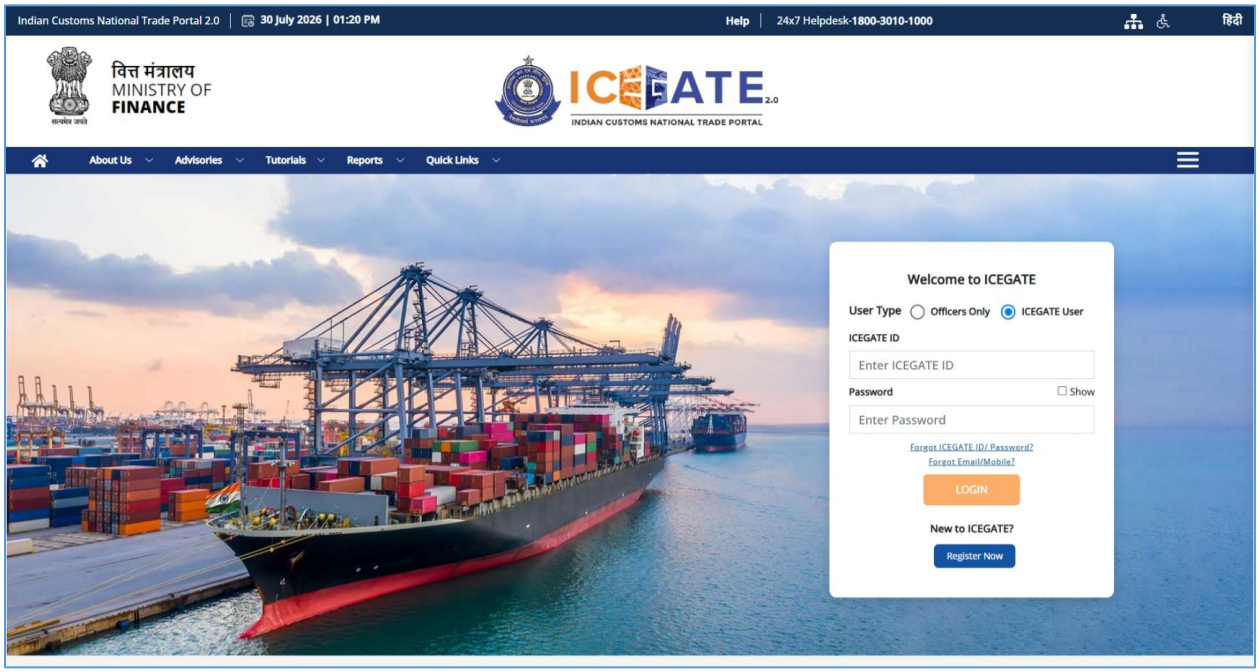

4. Abbreviations

Sl. No.	Term/Acronym	Description
1.	ICEGATE	Indian Customs E-Commerce/Electronic Data Interchange (EC/EDI) Gateway
2.	SWIFT	Single Window Interface for Facilitating Trade
3.	DGHC	Directorate General of Hydrocarbons
4.	LPCO	Licenses, Permits, Certificates, and Others
5.	CBIC	Central Board of Indirect Taxes and Customs
6.	ARN	Application Reference Number

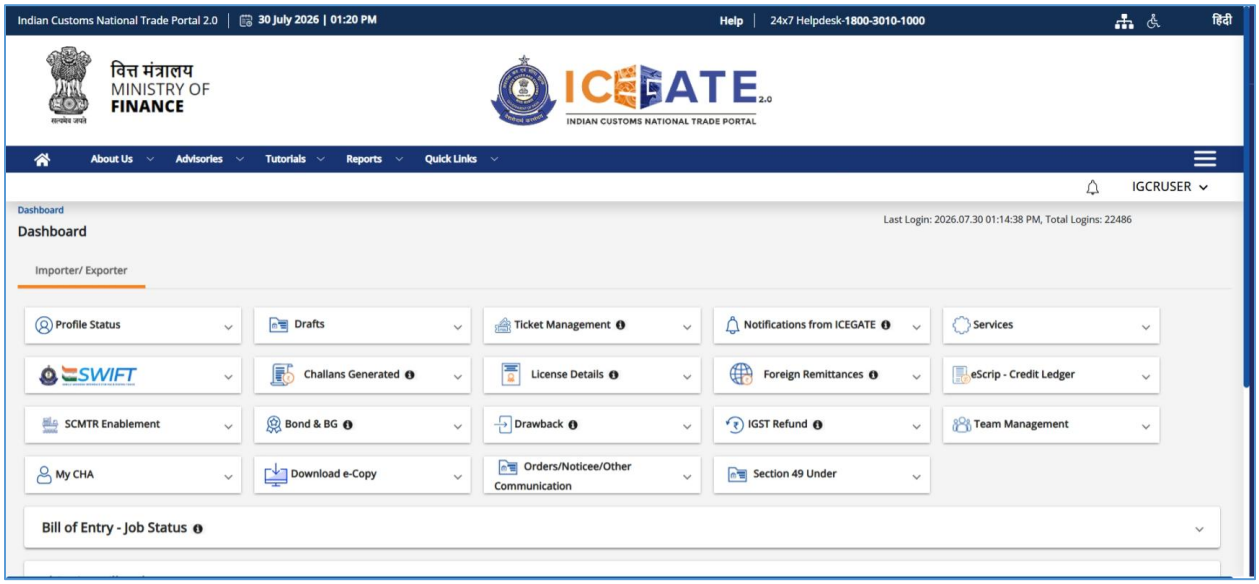

5. Navigation for DGHC Users

The DGHC users may follow the steps below to access the SWIFT Unified Dashboard:

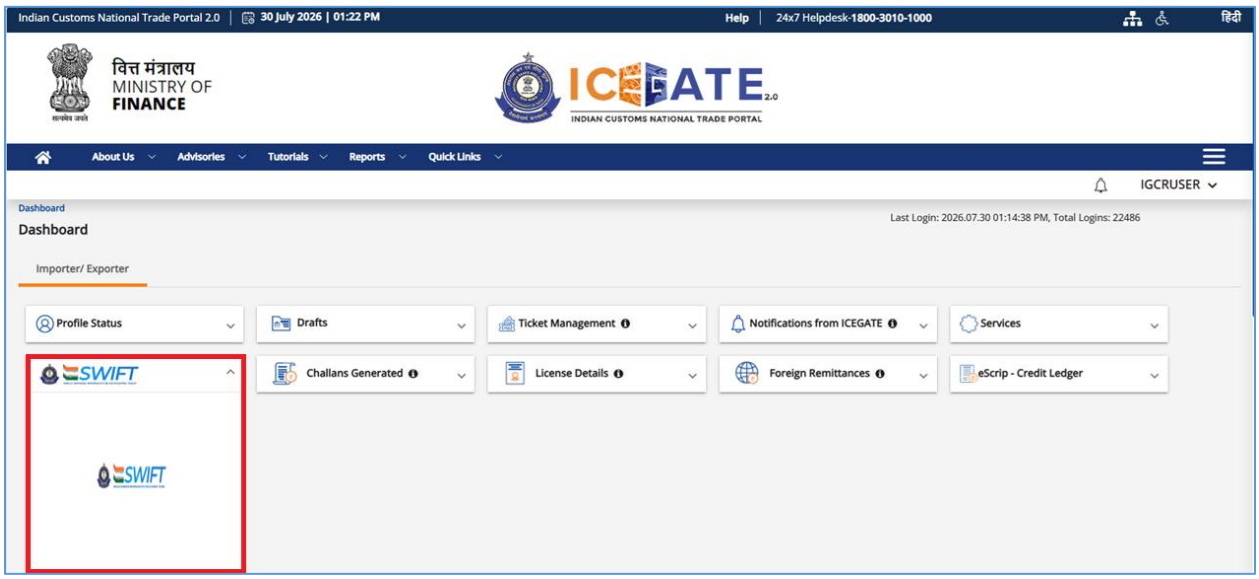

- **Step-1:** The trade users can access the ICEGATE dashboard by providing their ICEGATE ID and Password and clicking on the Login button. In such a case, the 'User Type' that needs to be selected shall be 'ICEGATE User'.

➢ **Step-2:** On successful login, the system will display the dashboard screen as follows:

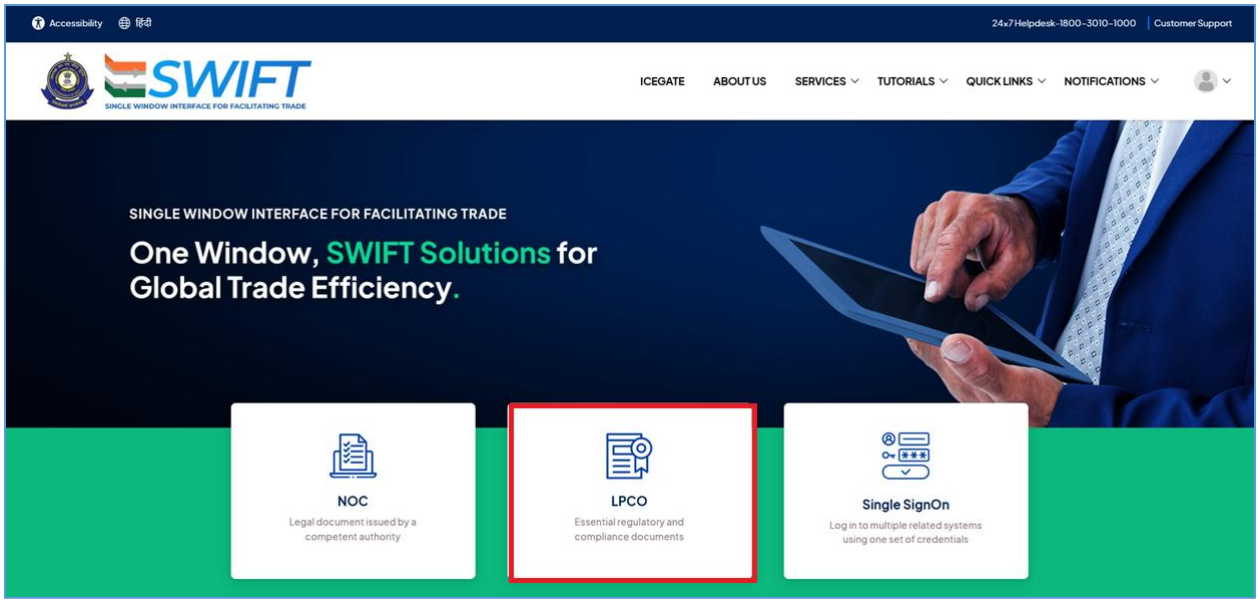

➢ **Step-3:** The user will then click the SWIFT widget:

6. LPCO Dashboard

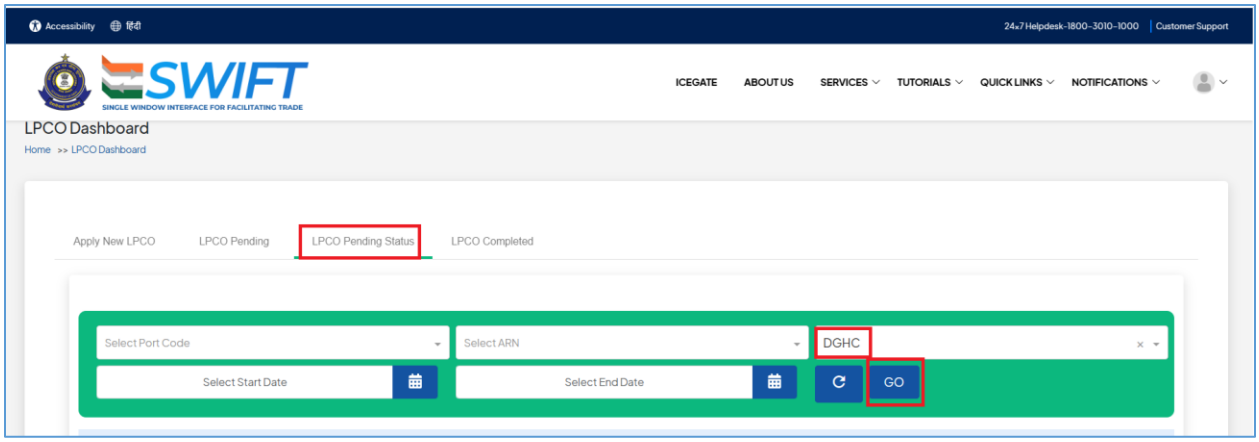

Upon clicking the “LPCO” tile on the SWIFT 2.0 home page, the system will navigate the user to the LPCO Dashboard, where the available LPCO services and related functionalities will be displayed.

6.1 LPCO Pending Status

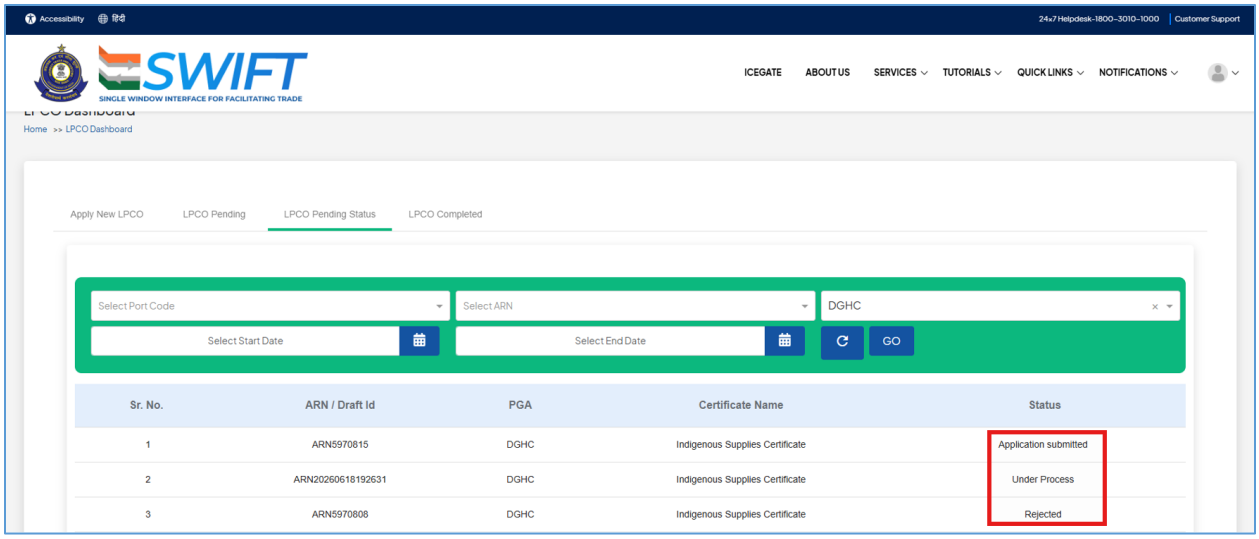

The “LPCO Pending Status” tab provides a comprehensive view of LPCO application records, displaying key details such as ARN/Draft ID, PGA, Certificate Name, and the current application status. Users can utilize available filters, including PGA-specific filters such as “DGHC”, and click the “Go” button to retrieve and view the relevant application details.

The status of the DGHC certificate will be displayed in the **Status** column based on updates received from the DGHC.

The Status column will display the latest status received from DGHC. The different application statuses and their descriptions are provided on the table below.

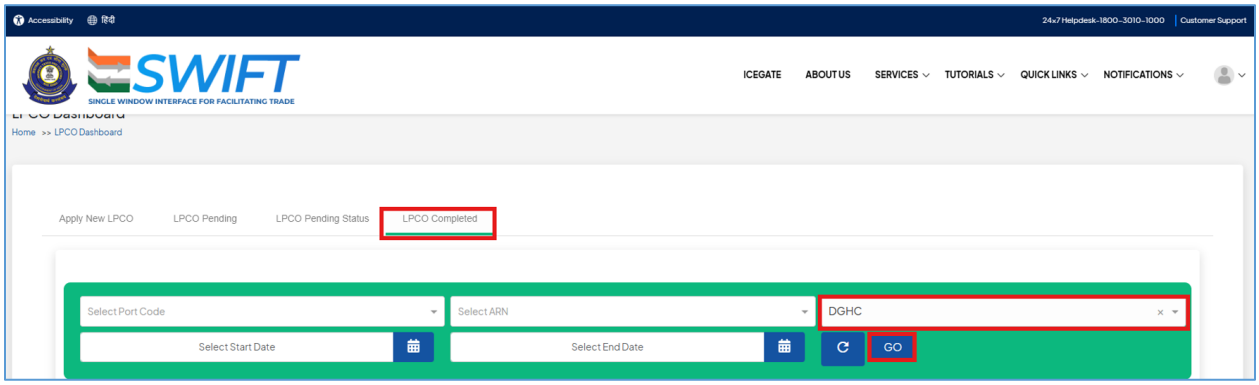

Status	Description
Application Submitted	The application has been successfully submitted to the concerned authority. It is awaiting review and further processing.
Under Process	The application is under review by the concerned department. Verification and validation are in progress.
Rejected	The application has been reviewed and rejected due to incomplete information, document discrepancies, or non-compliance with the eligibility requirements.

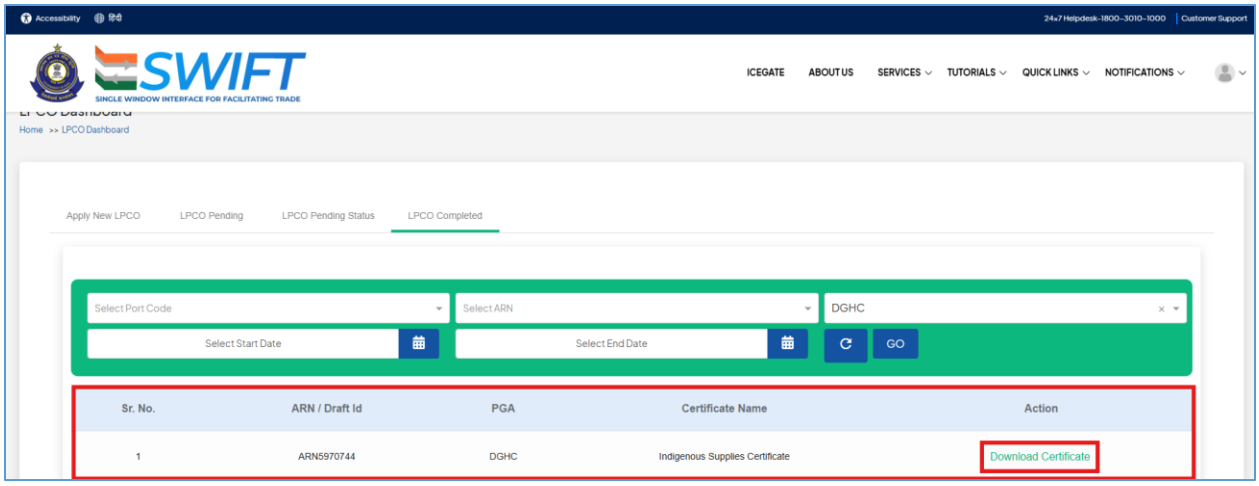

Once the application is approved, it will be moved to the LPCO Completed tab.

6.2 LPCO Completed

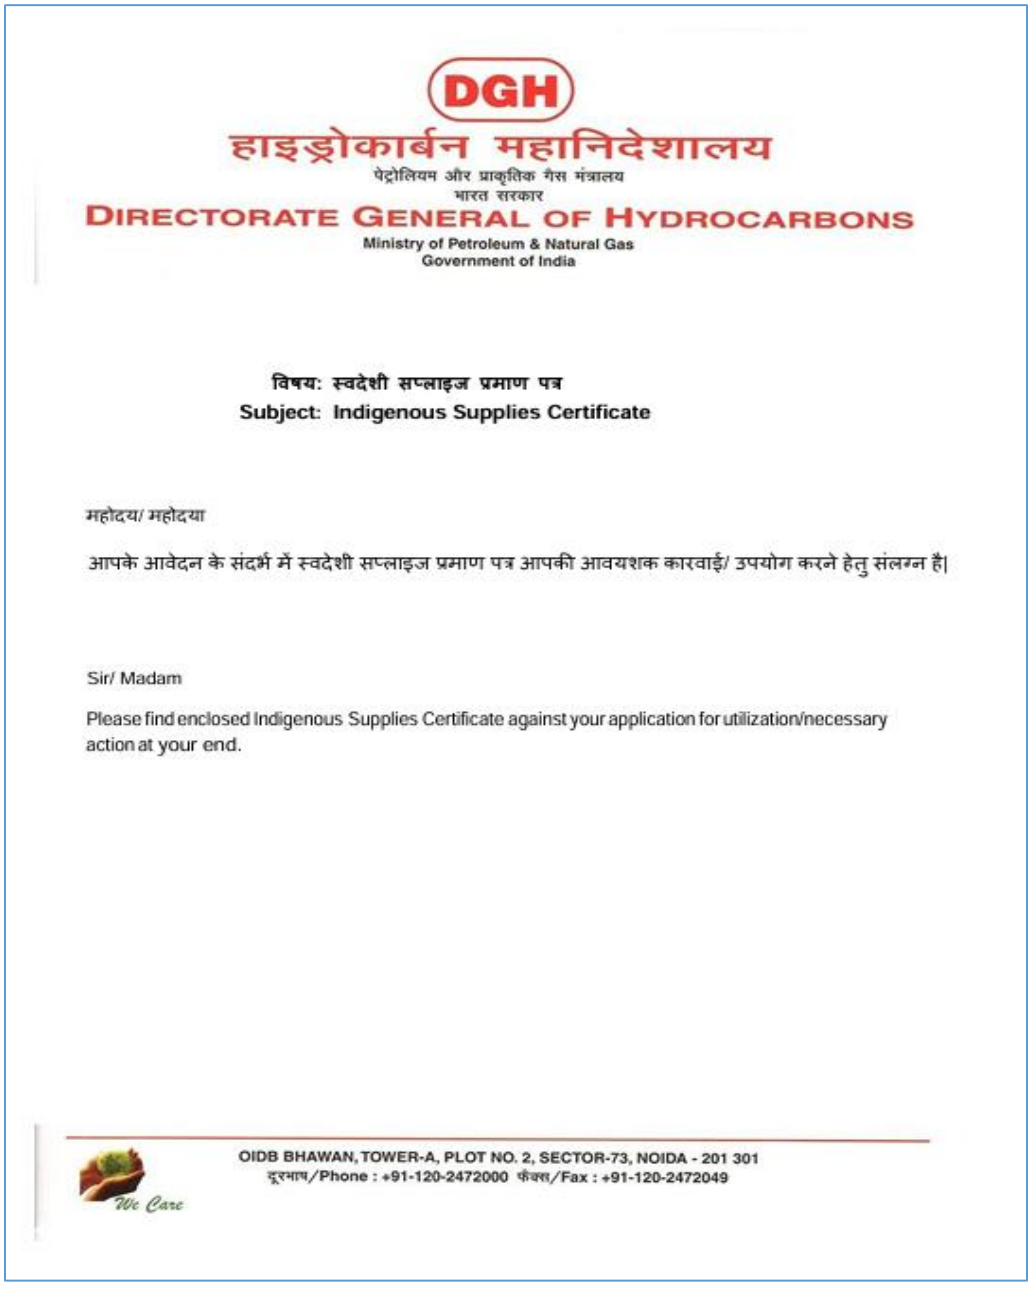

In the "LPCO Completed" section, the user will be able to view all completed applications and download the corresponding certificates by clicking the "Download Certificate" button available under the "**Action**" column.
