Subject: Unified Application Dashboard for issuance of Export Turnover Certificate issued by EPCs under SWIFT 2.0

1. SWIFT 2.0 Unified Dashboard enables single-window access for trade users to manage licenses, permissions, certificates and other authorizations across Participating Government Agencies (PGAs). Like Projects EPC, AEPC, Plastics EPC, CHEMEXCIL, PDEXCIL, MATEXIL, SGEPC, CLE, TEXPROCIL, ECSEPC, GJEPC, HEPC, TEPC, EPCH, FIEO, MPEDA, and CAPEXIL simplifying trade compliance.
2. In the existing environment, trade users are required to file applications manually for grant of Export Turnover Certificate I.e. Certificate for availing Bank Guarantee Exemption under EPCG/AA from various EPCs.
3. CBIC has launched a Unified Application Dashboard for issuance of Export Turnover Certificate for the following EPCs under SWIFT 2.0 for Export Turnover Certificate with effect from 30.06.2026

    i. AEPC - Apparel Export Promotion Council
    ii. PEPCI - Project Exports Promotion Council of India
    iii. (PLEXCONCIL - The Plastics Export Promotion Council
    iv. CHEMEXCIL - Basic Chemicals, Cosmetics & Dyes Export Promotion Council
    v. PDEXCIL - Powerloom Development & Export Promotion Council
    vi. (MATEXIL - Manmade and Technical Textiles Export Promotion Council (formerly SRTEPC)
    vii. SGEPC - Sports Goods Export Promotion Council
    viii. CLE - Council of Leather Export
    ix. (TEXPROCIL - Cotton Textiles Export Promotion Council

x. ECSEPC - Electronics and Computer Software Export Promotion Council
xi. GJEPC - Gem & Jewellery Export Promotion Council
xii. HEPC - Handloom Export Promotion Council
xiii. EPCH- Export Promotion Council for Handicraft
xiv. TEPC - Telecom Equipment and Services Export Promotion Council
xv. MPEDA – Marine Products Export Development Authority
xvi. FIEO- Federation of Indian Export Organisations
xvii. CAPEXIL- Chemical and Allied Products Export Promotion Council

4. User can access the Unified Dashboard under SWIFT portal of ICEGATE to obtain Export Turnover Certificate. The Dashboard has the following features:

i. Filling of Application for Export Turnover Certificate from EPCs
ii. Application Status tracking
iii. SMS/email notifications to trade users for status and action to be taken
iv. Reply to the queries raised by EPCs officers
v. Payment of fees for Export Turnover Certificate application.
vi. View/Download of Export Turnover Certificate issued by EPCs

5. The feature of Compliance repository has also been introduced in the SWIFT 2.0 module so that the registered ICEGATE EXIM users can view the NOCs and the LPCOs issued by the various agencies. The agencies are being onboarded in this digital repository in a phased manner.

6. Trade is advised to refer to the Export Turnover Certificate User Manual which is uploaded under Export Turnover Certificate (ETC) User Manual | icegate for issuance of Export Turnover Certificate issued by above 17 EPCs under Unified Application Dashboard.
