Advisory

Date: 17 November 2026

Subject: Unified Application Dashboard for LPCOs issued by Tea Board under SWIFT 2.0

SWIFT 2.0 Unified Dashboard enables single-window access for trade users to manage NOCs, Test Reports, licenses, inspections, and documents across Participating Government Agencies (PGAs) like Tea Board simplifying trade compliance.

2. In the existing environment, trade users are required to file applications on the Tea Board portal for grant of LPCOs issued by Tea Board i.e Temporary Export License, Permanent Export License and Business License for Carrying Business as Distributor.

3. CBIC has launched Unified Application Dashboard for LPCOs issued by Tea Board under SWIFT 2.0 across India for processing of LPCOs such as Temporary Export License, Permanent Export License and Business License for Carrying Business as Distributor Filing of application for above said Certificates issued by Tea Board at Tea Board portal will not be required from now onwards.

4. User can access the Unified Dashboard for LPCOs under SWIFT portal of ICEGATE to obtain above LPCOs. The Dashboard has the following features:

i. Filling of Application

ii. Application Status tracking

iii. SMS/email notifications to trade user for status and action to be taken

iv. Reply to the queries raised by Tea Board officers

v. Payment of fees

vi. View/Download of Certificates issued by Tea Board

4. The feature of Compliance repository has also been introduced in the SWIFT 2.0 module so that the registered ICEGATE EXIM users can view the NOCs and the LPCOs issued by the various agencies. The agencies are being onboarded in this digital repository in a phased manner.

5. Trade is advised to refer to the Tea Board User Manual which is uploaded under …. for issuance of LPCOs issued by Tea Board under Unified Application Dashboard.
